Dear Respected Donor,

In the name of the staff of P P Princess Resort and P P Charlie Beach Resort, I would like to express our gratitude to all donors of the fund to help our victim staff in the Tsunami Tidal Wave disaster.

The 4,600 Euro (four thousand six hundred Euro only) will add in the Princess & Charlie Tsunami Relief Fund and use to support 24 children of the victim staff who lost their lives.

Details of the expense and the balance fund will be reported monthly in our webpage at www.ppprincess.com and www.ppcharlie.com

We need about 4,000 Euro per month to support the 24 children in term of monthly expense and school tuition until all of them graduate the bachelor degree.

We hope that within 5 years, we can rebuild our resorts on P P Island and have a secure operation to generate the profit enough to support these 24 children by ourselves.

Therefore the donations are welcomed through Khun Joachim and Khun Edda Krueger or directly through our web pages above.

Once again thank you very much for all donations and may the Lord Buddha bless you for peaceful, healthy and successful life.

Sincerely Yours,

(Mrs. Rattanaporn Taecharachkij)

Executive Director of the Princess & Charlie Tsunami Relief Fund
